Tree Identification Walk Saturday, May 11, 2019 9:30 – 11:30 a.m.

Meet at the Main Entrance of Bird Park (Off Cedar Boulevard)

Want to know more about the trees in our neighborhoods and parks? Learn tree identification skills by investigating the leaves, bark, flowers and more.

Joe Stavish will be our TREE ID Guide. He is the Community Education Coordinator at Tree Pittsburgh. Joe has presented at national and regional conferences and has instructed facilities and ground crews at universities including Carnegie Mellon, Chatham and the University of Pittsburgh. Joe is passionate about nature and incorporates insects, birds, amphibians and mammals into his many programs.

Learn about the trees that surround us and populate our streets and the 125 acres of parkland here in Mt. Lebanon. Dress comfortably for this walk in the Park.
